*What does LaSalette tell us about the Great Monarch?*

"Sister Anne" cites every text where Melanie or Maximin speak of a great leader. She explains the challenges she encountered in exploring the visions of Venerable Bartholomew Holzhauser. Why do some prophets today suggest that President Trump might be the Great Monarch?

*Mary's People in Mary's Land!*

Catholics, representing fifty parishes in southern Maryland, gathered to hear "Sister Anne" interpret what Our Lady is saying about this moment in history. They want her to return immediately to open a convent! Pray for vocations!

## *Unruly Nuns with Rulers*

Sometimes teaching Sisters had short tempers and were unkind to students. “Sister Anne” hopes that your painful memories might be assuaged if you learn what it was like to be a school Sister in the 20th century.

## *The False Prophet Series continues*

We are surely living in the time when Jesus warned us to “Beware of false prophets.” Would you drink water from any river without first doing some tests to learn if it’s safe? TEST THE SOURCE BEFORE you drink in messages that could be far more harmful to your spirit than you can imagine.
