May Jesus and Mary be loved by all hearts!

Greetings from Wisconsin on the Feast of St. Joseph the worker!

Thank you for waiting all winter for news! On Melanie's death anniversary, Dec. 15th we moved into a convent owned by the Marian Fathers. This is a report of what we've been up to as we begin to live community life, and work with the Vicar for Religious. At the end of the video we announce the big news that Melanie's cause for beatification was recently re-opened. Please pray to her as "Servant of God"! We need miracles that prove her intercession! We hope to get back to producing more videos, "soon"!
