Communism Begins in Paris			
1830	Jul	19	<p>St. Catherine Labouré sees the midnight vision of the Lady of the Chair. Mary foretells woes for France. "The whole world will be in sadness."</p> <p>St. Catherine Labouré understood that it was a prophecy to be fulfilled in forty years. (e.g., The uprising of the Communes in 1871)</p> <p>Karl Marx, age 12, happens to be in Paris. He gains first-hand knowledge of a society on the brink of revolution.</p>
1830	Jul	27	<p>The Second French Revolution, dubbed the "Glorious Three Days of July." Charles X is deposed. This marks the end of the Bourbon dynasty that traces back to Charlemagne. His cousin Louis Philippe will be crowned king and then exiled also.</p>
1830	Nov	27	<p>St. Catherine Labouré sees the vision of the "Medal of the Immaculate Conception." Mary asks for this to be made public so the people will have recourse to her intercession. She will reward their faith with miracles.</p>
1836	Dec	3	<p>The pastor of Our Lady of Victories, Fr. Charles DesGennettes, hears a locution to "Consecrate your parish to the Immaculate Heart of Mary." Instant conversions.</p> <p>The pastor propagates the Miraculous Medal which shows the two pierced Hearts of Jesus and Mary. The miracles attract worldwide attention.</p>
1838			<p>Pope Gregory XVI established the Archconfraternity of "the Holy and Immaculate Heart of Mary for the Conversion of Sinners."</p>
1847	Mar	29	<p>The Carmelite nun, Ven. Marie Pierre, writes to her confessor: God has imposed on me a new mission. He has commanded me to cross swords with the Communists who, as he told me, were the sworn enemies of the Church, and of his Christ. He gave me to understand that the greater number of these renegades were born in the bosom of the Church, of whom they now declare themselves the most bitter enemies.</p> <p>"My daughter, it is the Communists who have dragged me from my tabernacles, profaned and despoiled my sanctuaries, and have even dared to raise their hands against the anointed of the Lord, but their designs shall be frustrated!"</p> <p>He dictates to her a new prayer which will be popularly known as the "Golden Arrow"</p>
1848			<p>A Manifesto is published in London by Karl Marx (aged 30) and Friedrich Engels. After the events in Paris it will be called the Communist Manifesto.</p> <p>The founders of modern Communism will enlarge this into a series of books, most notably Das Kapital.</p>
1848	Feb	22	<p>The Third French Revolution breaks out at the "Paris Commune". Historians will refer to the revolutionaries as Communists, and the events as the "Days of February"</p> <p>Three elements prepared these events: the Masonic Lodges, the Socialists (known as Positivists), and the International (a secret society).</p> <p>The Communist revolutionists were popularly known as "Reds" because of their red sash.</p> <p>The protest was deliberately sparked by a request for a "banquet" that is, a public demonstration of protest against the government to which King Louis-Philippe refused.</p> <p>The revolutionaries of the Paris Commune had been gathered from Italy, Germany, Russia, and America and were influenced by Karl Marx (who may have been actually present), Pierre Proudhon, and other anarchists. Some of these men were direct descendants of the radicals who initiated the 1793 French Revolution.</p>

Survey of the Seven Signs

The central column of the Book of Revelation was especially explained by Mary to Father Gobbi

1st Sign	Queen in the Heavens	<p>–“I [Mary] am a Great Sign of battle between me and my Adversary, between the Woman and the Dragon, between my army and the army guided by the enemy of God. You are entering into the decisive times of the battle.” (mmp 458d)</p> <p>–“I am a great sign of victory.” (mmp 458g)</p> <p>–“It will be with the great sufferings of these children of <i>mine</i> that I will obtain my greatest victory.” (mmp 458l)</p>
2nd Sign	Red Sky Dragon	<p>–“The Red Dragon has the diabolical task of taking all humanity away from the dominion of God, from the glorification of the Most Holy Trinity.” (404h)</p> <p>–“The hugeness of the Dragon clearly manifests the vastness of the territory occupied by the uncontested reign of atheistic communism.” (mmp 404f)</p> <p>–“Its color is red because it uses wars and blood as instruments of its numerous conquests.” (mmp 405h)</p> <p>–“the Red Dragon works to bring all humanity to do without God, to the denial of God.” (mmp 404f)</p>
3rd Sign	Dark Sea Beast	<p>–“The black beast is Freemasonry. ...he acts in the shadow, keeps out of sight and hides himself in such a way as to enter in everywhere. He has the claws of a bear and the mouth of a lion, because he works everywhere with cunning and with the means of social communication, that is to say, through propaganda.” (405d)</p> <p>–“The beast opens his mouth to utter blasphemies against God, to blaspheme his name and his dwelling place, and against all those who dwell in heaven. The greatest blasphemy is that of denying the worship due to God alone by giving it to creatures and to Satan himself. This is why in these times, behind the perverse action of Freemasonry, there are being spread everywhere black masses and the satanic cult.” (mmp 405h)</p>
4th Sign	Land Beast like a Lamb & 666	<p>–“The beast with the two horns like a lamb indicates Freemasonry infiltrated into the interior of the Church, that is to say, ecclesiastical Masonry, which has spread especially among the members of the hierarchy. The task of ecclesiastical Masonry ... is that of destroying Christ and his Church, building a new idol, namely a false christ and a false church.” (mmp 406g)</p>
5th Sign	Slain Lamb & 144,000	<p>This peculiar Greek word for “lamb,” used consistently in the Apocalypse, (29 times in 12 chapters) occurs only one time in the rest of the new testament, namely the gospel of John (21:15) where Christ tells St. Peter to feed his lambs (this is, his Church). The word for “lamb” in the Apocalypse is not the same one used in the gospel of John for the “Lamb of God.” The apocalyptic lamb is not the year-old Paschal Lamb, but a <i>little</i> lamb recalling the Knock tableau in Ireland. This lamb is not Jesus alone, but the Eucharistic Mystical Body, especially those (144,000) who are slain with Him, and in Him, for the conversion of the “great multitude that no one can count.” The apparition at Knock provides an interesting ratification of the Lamb as the suffering Mystical Body. It was seen <i>outside</i> the church, on a cloudy and miserable evening, on the eve of the octave of the Assumption, by lay members of the parish, who were disbelieved and ignored by the general clergy and hierarchy. But the poor were greatly comforted by the visit of Mary, dressed as a Bride.</p>
6th Sign	Harvest	<p>–The grapes of wrath represent the destruction of the wicked.</p> <p>–The ripe wheat represents the good who “die in the Lord.” The proper task of the angels is to bear witness to right conduct and to accuse of evil conduct.</p>
7th Sign	Sea of Glass	<p>Seas signify the godless nations, a turbulent teeming mass, (e.g., Babylon is enthroned upon the waters, and the dark beast comes up from the sea and the dragon stands by the sea.) But, in the end, the sea will be converted, and so peaceful and calm and permeated with the light of grace that it will seem as glass. In fact, it will be said that “the sea is no more” [Rev. 21:1] and all the earth will be elevated to a high place, a holy mountain.</p>
